

src/libs/utils/include
/crl-basic/utils/mathDefs.h

```
graph TD; A["src/libs/utils/include<br>/crl-basic/utils/mathDefs.h"] --> B["Eigen/Dense"]; A --> C["Eigen/Sparse"];
```

The diagram illustrates the include relationships for the file `src/libs/utils/include/crl-basic/utils/mathDefs.h`. Two blue arrows originate from the bottom of the top box and point to the top of the two bottom boxes, indicating that `mathDefs.h` includes both `Eigen/Dense` and `Eigen/Sparse`.

Eigen/Dense

Eigen/Sparse
