

ImPlot::BeginAlignedPlots

```
graph LR; A[ImPlot::BeginAlignedPlots] --> B[ImPlotAlignmentData::Reset];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'ImPlot::BeginAlignedPlots'. The right box is gray with a black border and contains the text 'ImPlotAlignmentData' on the top line and '::Reset' on the bottom line. A blue arrow points from the right side of the left box to the left side of the right box.
