

ImPlot::SampleColormapU32

```
graph LR; A[ImPlot::SampleColormapU32] --> B[ImPlotColormapData::LerpTable]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'ImPlot::SampleColormapU32'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'ImPlotColormapData' on the top line and '::LerpTable' on the bottom line.
