

ImPlot::AddTicksLogarithmic

```
graph LR; A[ImPlot::AddTicksLogarithmic] --> B[ImPlotTickCollection::Append]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'ImPlot::AddTicksLogarithmic'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'ImPlotTickCollection' on the top line and '::Append' on the bottom line.

ImPlotTickCollection
::Append
