

ImPlot::SetupFinish

```
graph LR; A[ImPlot::SetupFinish] --> B[ImPlot::AddTicksTime]; B --> C[ImPlot::TimeLabelSame];
```

A flowchart illustrating a sequence of three steps. The first step, 'ImPlot::SetupFinish', is in a white box. A blue arrow points to the second step, 'ImPlot::AddTicksTime', which is also in a white box. Another blue arrow points from the second step to the third step, 'ImPlot::TimeLabelSame', which is in a gray box. The boxes are arranged horizontally and connected by arrows pointing from left to right.
