

ImPlot::Tag

```
graph LR; A[ImPlot::Tag] --> B[ImPlot::TagV]; B --> C[ImPlotTagCollection::AppendV];
```

The diagram illustrates a three-step process flow. It begins with a gray rectangular box containing the text 'ImPlot::Tag'. A blue arrow points from this box to a white rectangular box containing 'ImPlot::TagV'. A second blue arrow points from the 'ImPlot::TagV' box to a larger white rectangular box containing 'ImPlotTagCollection' on the top line and '::AppendV' on the bottom line. All boxes have a thin black border.

ImPlot::TagV

ImPlotTagCollection  
::AppendV
