

crl::loco::LocomotionController

```
graph BT; A[crl::loco::KinematicTrackingController] --> B[crl::loco::LocomotionController];
```

The diagram illustrates a class hierarchy. At the bottom is a white box with a black border containing the text 'crl::loco::KinematicTrackingController'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a gray box above it. The gray box contains the text 'crl::loco::LocomotionController'.
